What goes well with Crappy beer?

This can't be real.

...not only that I have 57 species of Northwest moss, let me tell you about them...

PTG VALLARTA

Timberland

I'm a 7E7
Engineer, that
means I can drink
with my eyes
closed.

I hope someone
Helps, I bumped into
Him and now I'm
Stuck!

A photograph of a man and a woman in a kitchen. The man, on the left, is wearing a patterned short-sleeved shirt and has glasses hanging from his neck. He is holding a white plate with a napkin. The woman, on the right, is wearing a light-colored patterned short-sleeved shirt and has her hands clasped. A brown paper bag is hanging in the background. Two speech bubbles are overlaid on the image.

At least Dave's Parties
Have quieted down, no
Police this time.

I knew I was missing
something.
Dang.

Hmm... that's 18 people to see that video, 12 to see that one, and then I'll have to get a special one made for Mike Duvall.

Jeff says that I have chicken in between my teeth. That can't be true can it?

Did you know that 7E7 Engineers can drink with Their eyes closed?

Heavy
Sigh

No, I couldn't be more serious, that's
56 species of northwest moss and I'm
going to take scanning tunneling
electron microscope pictures of them
all...from my bicycle.

I told you we should have brought granola, I'm going through withdrawals. I saw a Rush Limbaugh letter on the end table and now I have to go sit in my Volvo to recover.

Why do I
always
have to
wind you
up at
parties.

Slacker

Sweetheart, I just love mixing
with the little people who still
work for a living.

No problem, you may call me Quiche Boy.

Silence is golden

And just who brought quiche to a Dave Allen party. I want to know!

Give up, he's untrainable.

Did I stutter, I said
61 different
species of NW
moss.

I'm slipping this mutt into her car!

Can this dog get the chicken from in between my teeth?

No, I've changed, I'm better... No kidding.

Heh, Heh, Heh, It's just starting.

I've been here 30 minutes and I'm already whacked. I'll just pretend I'm a 7E7 engineer.

And to think, you won
the Revolutionary war.

...and then you take the melted
Hershey's chocolate and rub all
over your body before you go to
bed....
